**Notice of a mistake in LOAN #57090 agreement**

After reviewing the contract of the Note created on September 27<sup>th</sup>, 2019 labeled LOAN #57090, and

Under Section

**“1.BORROWERS PROMISE TO PAY**

In return for a loan I have received, I promise to pay **U.S. \$121,125.00** (this amount is called “Principal”), plus interest, to the order of the Lender. The Lender is FARMERS SAVINGS BANK, a State Chartered Bank.

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the “Note Holder.”

It is known that LOAN #57090 Note was deposited into an account of the Bank and the Bank wrote a check off of the note thereby calling the said deposit of the Note

+121,125.00 instead of -121,125.00 on the Banks Books. This means there was a full discharge of any obligation at the time of the deposit of said Note by the Bank otherwise we have a case of check kiting done by a Bank officer.

Further, to add insult to injury, the following has occurred:

#### Evidence of Mistake

“73d CONGRESS .SESS . I. CHS. 48, 49 . JUNE 5, 6, 1933 . Approved, June 5, 1933, 4:40 p.m. 31 U.S.C.A. 462, 463 House Joint Resolution 192, 73d Congress, Sess. I, Ch. 48, June 5, 1933 (Public Law No. 10 )

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That

- (a) every provision contained in or made with respect to any obligation which purports to give the obligee a right to require payment in gold or a particular kind of coin or **currency**, or in an amount in money of the United States measured thereby, is declared to be against public policy ; and no such provision shall be contained in or made with respect to any obligation hereafter incurred.”

**LET IT BE KNOWN** that the remedy for this contract will be to change the amount payable to “any kind of currency” or full discharge Any entity attempting to hold Brandon Alan Anderson, Trustee or any other person(s) to the fraudulent obligation of LOAN #57090 such as Bankers’ Bank who claims to service the discharged promissory note (“Note”) dated September 27<sup>th</sup> 2019 for benefit of the Notes owner FNMA are in violation of Public Policy as it pertains to House Joint Resolution 192 (Public Law No.10) as shown above. If the remedy is not met, Bankers’ Bank and FNMA are liable and in admission of nefarious acts upon people to steal property that has already been discharged, not only at the time that the Note was signed, but when other currency was offered, the, FNMA claims a legal right under the contract clause of the constitution of the United States that was written under nefarious intent and therefore loses all contract clause immunity , and

Brandon Alan Anderson, Trustee is seeking full discharge of any obligation due to the fact that “any kind of currency” was offered and refused and therefore full discharge is required.

Otherwise, slavery seems to be the intent of the American Bankers Association and the Federal Deposit Insurance Corporation along with all federal reserve banks within their respective districts.

Regards,

 Brandon Alan Anderson, Trustee
